Body OK, I understand, it hurts very much to see your brothers and sisters be killed and to see Allah's laws ignored . Still , UNTIL ISLAM and SHARIA LAW rule the earth, Allah can preserve islam and its laws with out Muslims blowing people up. Example, Christians missionaries die everyday, EVERYDAY, nobody says a word, and Christians don't cry about it and don't blow each other up over it. Because if we die telling people about god we go to heaven. Peace is the way abdullah.

Now,Our governments which are NOT christian and they do attack people and lands that have natural gas and oil. U must understand that church and government are separate in america they are not the same as Islam where church and government are ONE. Abdullah, You must love your enemies, Mohammed did not teach u to hate Christians and Jews but to love them and help them see the truth . The bible says seek justice BUT love mercy.

If u are going to fight and die for Allah do it with prayer beads and a Quran in your hands not an ak47.

Body 1st thanks giving is everyones holiday, we give thanks to God for His many blessings.
2nd i answered that question last spring. it is the glory of God when Christians are slaughtered for their faith...unfortunantly it is the glory of Allah that muslims slaughter others for the muslim faith. when christians slaughter others they are evil and when muslims and jews slaughter others they are also evil. PEACE en shallah

Abdullah i am aware of the evils that are happening all around the world to Everyone(including muslims) but i still follow ghandi and martin luther king and mother teresa and call for Peace. Jesus said take a sword (for self protection) but do not follow men to war!

God bless you my brother and may you find peace

Body Indeed, Allah has purchased from the believers their lives and their properties [in exchange] for that they will have Paradise. They fight in the cause of Allah , so they kill and are killed. [It is] a true promise [binding] upon Him in the Torah and the Gospel and the Qur'an. And who is truer to his covenant than Allah ? So rejoice in your transaction which you have contracted. And it is that which is the great attainment. QUR'AN (Surat At-Tawbah, verse#111) THINK ABOUT THIS VERSE WHAT ALLAH SAYS IN QUR'AN !!!!!

Body I have asked you repeatedly for pictures that accurately document what you; Abdullah and his gang of merry men, are doing and you have sent NO videos NO pictures NO details of your days.

If i went to Jihad it would be documented, people would know whats happening over there!!!

i would not trust the truth to the world news, i would shows them and rie about it. but no Abdullah floods Facebook with a stream of Crap that every other idis is shareing on facebook.

I think You are probably a fake.
you have nothing, to take videos of, or pictures of, or write because there is nothing happening except a bunch of Muslims sharing pictures of the flag on Facebook, that is the only thng that happens.

you lack content abdullah

Did Mohammed run around the desert documenting all the places he went with his finger in the air and a black flag???????

No he kicked ass and documented it and shared that document with the world!!!
One day a Muslim marched up to Rome and he could have taken over all of Europe...i do not know why he did not choose to conquer all of rome and Europe. But Everybody in the world knew about it!!! i know about it and no Catholics have ever messed with Muslims since.
you know we roman catholics fought and marched beside you in Bosnia 2 and a half

decades ago. dont forget history so quick abdullah.

You can justify your invasion into syria for the sake of woman's vaginas and childrens lives but how do you justify the crap you share 18 times aday on facebook???

Abdullah, I do not hate you. you are burdened deeply by your hate because it is your obligation to your Religious beliefs as a 'true muslim'.

i have not been sensitive to your situation. i will give you some room. thank you for everything and answering my questions.

• May 25

5/25, 9:22am

Abdullah Ramo Pazara

you are asking to much !!! but you do not answering my questions !!

- 5/25, 9:40am

well sometimes i cant know you are asking a question. make questions like this for me. Q: ED TELL ME WHY YOUR WOMAN RUN AROUND NAKED AND GET DRUNK????? if you put the ' Q: ' then i will know it is a question.

why dont we talk about the electric chair and such??? well those people in electric chair had many court cases and a jury of their peers convict them to die.

it appears that in islam 8 men with ak are the judge jury and executioner, no court case in islam just murder

i saw the video of the yellow car with three boys/young men in it. and they were randomly shot down, no court case, no fair trial, no jury of their peers, just murder.

why do u think murder is ok as long as you are worshipping god??? murder is not ok!!!

America is a corrupted Nation it is true, BUT we still try to follow laws But you run around murdering people like you are god and government. you are not!

You complain about americans that killed Kuffar muslims and you your self are killing more muslims than americans killed. you make me sick with your hypocrisy!!

what you are doing is not for glory of Allah, it is for the gLory of Hate. it is wrong, you are wrong

so please tell me abdullah how righteous you and your brothers are???

any more questions today???

5/25, 9:52am

Abdullah Ramo Pazara

ALLAH CHOSE US TO FIGHT KUFFAR !! AND ALLH WANT US TO SET UP SHARIA LAW ON EARTH !!! THOSE PEOPLE IN YELOW CAR AND OTHER ARE HELPING AMERICAN TERORISTS IN IRAQ TO KILL MUSLIMS !!! THEY TESERVE TO BE KILLED !!!

- 5/25, 9:53am

do you know about blacks in america?

we made them slaves and rape them and beat them for 100s of years.

- 5/25, 9:54am

Abdullah Ramo Pazara

WHAT??

- 5/25, 9:55am

do you know the story of what america did to black people?

- 5/25, 10:02am

I will tell you, Blacks were slaves in america and treated like 2nd hand citizens. they were beatin and raped put in jail. then one day they started peacefully protesting, marching in streets and walking in neighbor hoods and protesting with NO violence and then they got freedom! In india the brownies wanted to be free from the british and they follow ghandi and protest peacefully and they get freedom from the 'christians'. if muslims want freedom to do sharia then all they have to do is peacefully protest and in 50 years they can have many countries. but no no u must murder murder murder and Allah will NEVER give you what you desire. Only the peacemakers shall be sons and daughters of God' not the Mudjadeen!

- 5/25, 10:07am

now India is a respected nation and their sons and daughters go all around the world and become doctors and engineers and lawyers and help the whole world, God has blessed india so much. and in america African americans are lawyers and doctors and business owners etc and they accel at all sports except hockey (thank god, lol) seriously when people muslim or kuffar make PEACE Allah blesses those people and the whole world!!! stop your evilevil violence and God will give you all the middle east and all the world but you keep up this wickedness and he will keep you down under Israel and under the USA. peace is always triumph over violence and murder

- 5/25, 10:08am

DO YOU NOW THAT MUSLIMS IN SIRYA WHERE PROTESTING AND BASSAR DOG PRESIDENT START KILLING THEM !!!!!

WHEN WE WANT SOMTING YOU ARE KILLING US YOU DIRTY KUFFAR CRISTIANS AND OTHER HELPER OF YOU !!!!!

• 5/25, 10:46am

yes, and at first you die and get beatin and raped but God hears your cry and eventually save you, but when you use your own strength you become just like the kuffar and god does not help you.

also when you shoot ak47 in air the bullet must also far to earth...it is stupid to shoot guns in air and have bullets come down on woman and children

ISIS is killing woman and children with their bullets ??? better to be nonviolent

ISIS is sending husbands and father to their death and making more widows and orphans then kuffar are??!

dont you see how killing people does not strengthen but weakens a nation????

mother teresa helped muslims and hindus live in peace and get education. she does not spread hate and murder.

she helps woman and children.

(187) And he said: The Messenger of Allah said: "A man from Paradise will be asked by Allah: 'O son of Adam, are you satisfied with your shooting?' He will say: 'O my Lord! This is the greatest shooting!' Allah will say: 'This is what you want?' He will say: 'Indeed that You take me back to earth so I can be killed for You and sin? I was not that when he was the greatest master of magnificence.' Then Allah will ask a man from Hellfire: 'O son of Adam, how do you feel your shooting?' the man will say: 'O my Lord! this is the worse shooting!' Allah will ask him: 'Would you then save yourself from it by paying the equivalent of the whole world filled with gold?' The man will say: 'No!' Allah would tell him: 'Then acting, if you do more than that and you didn't do it'."

"As I sit here constantly hearing and watching you execute innocent men, women and children in the Middle East I chuckle. Why do I chuckle you may ask? Well let me explain something to you cowards who think you are so tough behind all your propaganda videos. You are scaring a population that doesn't know how to fight, you're bullying the weak.

You say Islam is the religion of peace, but since when does terrorizing the innocent and beheading men, women and children constitute peace? But keep in mind, what did Saddam's troops do when we came rolling into town? They surrendered, twice... So all your empty threats of coming to America and raising your flag over the White House amuse me more than any of you sick, sadistic jerks could ever imagine or comprehend. In 2012 there was about 21.2 million veterans in the United States. Do you understand what that means? Let me break it down for you. That means there are literally millions of disgruntled, dysfunctional, pissed off veterans who have been dealing with years of abuse from their government stabbing them in the backs and having to watch their friends die because you Islamic extremist idiots can't seem to act like normal human beings and stop terrorism and the violence.

It's one thing to take over an Islamic state, but if my memory serves me correctly, I'm pretty sure we plowed through Fallujah in 4 days. Better yet, it took us about month to control your entire country. At this point, with 13+ years of war under our belts, how long do you think it would take us to do it all over again? I'll let you draw your own conclusions on that one. Do you really think you stand a chance on US soil? Do you really think it would be smart to poke that bear? Remember, never bite the hand that feeds you.

Remember we are armed to the teeth in the US and I can promise you this... the Geneva Conventions will not apply to you. You attack us and there will be no mercy. We will bring the righteous hand of God down upon you and crush you. The ball is in your court now ISIS. We are more than ready to arrange your so called "meeting" with your 72 virgins and send you to your "prophet" Mohamed."

I dont hate the flag, i hate that isis is flying it while committing crimes against
humanity.

you keep telling me how us solidiers have done evil in iraq, as though it justifies
isis doing evil in iraq, so i ask when will someone do righteousness in iraq?
